It has reported that the rev^{ue} due to the project should have been about Rs 95000. If the 18% of the assumed figure, the net rev^{ue} derived from the project would be something like Rs 50000 in lieu of a deficit.

The following reply may be sent: -
To Mr. Secy to the Govt of India.

"In view of the at present to compare the irrigation under project in 96-97 & resulting deficit with forecast figures, revenue credited to project being reported incorrect. Matter under inquiry in the Dept. Probably there would be a credit of about Rs 50000 two deficit."

The papers on this subject were sent to you yesterday with the income & expenditure of the project.
