Superintending Engineer
W Circle

To

The Chief Engineer,
P.W.D.

See

I have the honor to inform you
that Mr. Loam reports that he finds it
absolutely necessary to give advances
to head men and Maistries for the
supply of labor on the Anamalais.

The planters have to do the same and without advances. I don't think work could be carried on, so I request that the sanction of Government may be obtained to the practice of making advances in connection with the road work on the Anamalai Hills.

I have the honor to be

To

W.

Your Office Note No. I062 C dated

21st. February 1898.

Please see Madras Code para I296 under which the Superintending Engineer is empowered to sanction advances to laborers etc in exceptional cases. The Government of India Code being silent on the subject, it would seem open to Local Government to accord their sanction under the circumstances explained by the Superintending Engineer.
