FURTHER PAPERS

Copy of a letter No 317. It dated
17 December 1897. from L.L. Wickham Esq.
to Engineer Mellore on to the Supl.
Engineer II circle.

With reference to your No 324 N.L.
dated 23rd August 1897, I have the honor
to inform you that there was no
delay in the submission of papers
to you as can be seen from the
following explanation.

2. The Vakil wrote to the collector
and to me on the 23rd April 97 that
a decree was passed in favor of com-
plainant for Rs 1800/- and promised
to send a copy of judgment which
he has applied for, for preferring
an appeal. I received his letter
on the 24th Idem and the same
communication from collector
on the 5th May 1897. I awaited
the receipt of judgment accordingly.
The Vakil similarly wrote to
the collector and to me on the
27th July 1897, enclosing judgment and

and requested to obtain sanction of
Government. I received the above
papers on the 31 July 1897 and to
the Vakil on the 2 August 97 to
let me know the grounds for
appeal. The letter was despatched
the same day. I received reply
on the 7 August 1897, and the Vakil
explained the delay was due to his
having left for Trichinopoly. The
same day a letter with enclosures
was despatched to you on the subject.
