READ—the following paper:—

From W. C. DeMORGAN, Esq., M.I.C.E., Superintending Engineer, I Circle,
to the Chief Engineer for Irrigation, dated Waltair, 12th July 1898,
No. 407 G.N.

I have the honour to bring to your notice that an estimate amounting to Rs. 220 for improvements to Dobeas' Agraharam tank, which is a railway-affecting tank in Tarla zemindari in Ganjam district, was framed by this department and sent to the Collector for taking steps under Railway Protection Act (IV of 1886).

2. The Collector has accordingly recovered the amount of the estimate *plus* percentage charges on account of establishment and tools and plant, viz., Rs. 220 + 53-14-5, from the zemindar and paid the same into the treasury.

3. I have the honour to request, therefore, that you will be good enough to obtain sanction of Government to execute the work in question as a contribution work under Code I, IX, 79 and 82.

4. The Executive Engineer, Ganjam division, reports that the work being urgent has been put in hand in anticipation of sanction.

ORDER—No. 579 I., dated 26th July 1898.

The execution by the Public Works Department of the work referred to is sanctioned.
