The Chief Engineer

P. W. Department.

Sir,

Lincolns 2

2. With reference to your
Endorsement A: 1167-C dated 25th Feby: 78
herewith returned with its enclosures,
I have the honor to report that
your memo A: 1115-C dated 22nd idem
was replied to by wire on the
26th idem as directed therein.

2. Agreeably to G. O. N^o 330. W. dated
10th February '98, the Head Quarter Sub-
Division of the Krishna Northern
Division has to be transferred to the
Krishna Eastern Division from the
1st Instant, and it contains the
Head Works under Imperial Irrigation.

Provincia

Provincial original and repair works and the river embankments under agricultural original and repairs besides military repairs and Imperial Civil works.

5. The transfer for grants from the Krishna Northern to the Krishna Eastern is therefore necessary to enable the Engineer of the latter Division to obtain more credits for March 98 for the execution of the work in the Head Quarter Division transferred to his Division.

4. In these circumstances I approve of the action of the Engineer Krishna Northern Division in asking the Examiner by wire to transfer a portion of his credit for March 98 to the Krishna Eastern Division although nothing is said as regards the transfer of grants in the order quoted above.

I have the honor to be,
Sir,

Your most obedient servant,

Wm. M.

Asst. Suptg. Engineer 2nd Circle
