No.	Date.
<p><i>Note.</i> The establishment proposed for 1898-99 in excess of the sanctioned scale for the current official year is 1 clerk on Rs 30 and 1 peon on Rs 8 per mensem required for No. 3 sub-division which it is proposed to constitute next year. In regard to the necessity for this sub-division Mr. Aspinwall explains that he has submitted estimates for a Light House at Kaph Rock and that he hopes to commence work as soon as the estimates are sanctioned. To admit of this work being put in hand, it will be necessary to form a third sub-division and it is therefore proposed to sanction the establishment applied for. The establishment will not however be entertained, until the ^{formation of the} sub-division is authorised. The proposition statement also provides for increase of pay to the head clerk and the scavenger and the necessity for the increase is fully explained in the "remarks" column of the statement.</p>

~~EXECUTIVE ENGINEER~~
Superintendent of Works
LIGHT-HOUSE DIVISION,

Madras.

To

THE Chief Engineer,
Public Works Department.

SIR,

I have the honor to forward herewith an application for temporary establishment required for this division during the year 1898-9 providing for my own office and three sub divisions. I have provided for the additional sub division as I have submitted estimates for a light-house at Kaph Rock and hope to commence work as soon as the estimate has been sanctioned as I believe that there is no difficulty about funds the balances on both east and west coasts being considerable. The other two sub divisions are for the East Coast North and South of Madras.

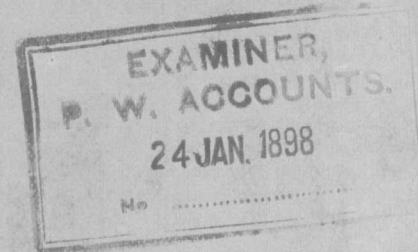

(2) I believe it is not necessary to enter into details regarding the circumstances on which each appointment was first sanctioned or the necessity for retention.

I have the honor to be,
Sir,
