ORDER.

Under G.O. No. 5375
dated 16th February 1888, Supy.
Engineers are authorised to
appoint a temporary clerk
5th class 1st grade (Rs 15 per
mensem) for employment
under each temporary other
subordinate sanctioned, and
under G.O. No. 2206 W dated 28th
August 1882, a permanent
clerk on Rs 15-20 per mensem
is granted the pay of the
next higher grade when
transferred for duty on the
Nilgiris, provided the
sanctioned scale of establishment
is not exceeded. The
Supy. Engrs. IV Circle having
represented that it is

not practicable to obtain
the services of efficient
clerks on Rs 15 per mensem
on the Nilgiris, the rate
of pay for temporary clerks
employed under temporary
super subordinates on the
Nilgiris will be fixed at
Rs 20 per mensem.

On

From
24/2/98

note. Under Sec. 537 of
16.2.88, Super. Engrs. can, without
reference to Govt, appoint a
temporary clerk on Rs 15 per
mensem, under any temporary
super subordinate posted to
a Circle. This rate is ap-
plicable generally, and no
provision has been made for
the grant of higher pay to
temporary clerks employed
on the Hills. A permanent clerk
on Rs 15 per m. is allowed Rs
20 on transfer to the Nilgiris, &
if qualified men are to be
obtained, it seems necessary
that temporary men should
be allowed the same rate of

pay.

Letter from A. A. G. Malet Esq.
Executive Engineer, Coimbatore Division
to the Superintending Engineer
IV Circle, dated Coimbatore 3rd Feby.
1898 No. 477.

I have the honor to request
you will be good enough to obtain
Orders of Government regarding
the salary of temporary clerks
working under overseer on the
Nilgiris.

G.O. no. 3576 W, dated 27th Decr
1897 rules that when a permanent
overseer's clerk on Rs 15-20 is -
transferred to the Hills he should
be given Rs 20; and on a reference
made by me to the Examiner, asking
whether this G.O. is applicable
to temporary clerks, he states
that it does not apparently apply
to overseer's temporary clerks, and
suggests a reference being made
to Government.

As it will be very difficult

if not impossible to obtain the services of a qualified or even an unqualified man on Rs 15 on the Hills. I would suggest that a salary of at least Rs 20 be given to temporary Clerks while employed on the Hills.

Copy submitted to the Chief Engineer Public Works Department for favor of orders.

It will not be possible to secure the services of intelligent Clerks on a salary of less than Rs. 20 per mensem in the Nilgiris.
