OFFICE NOTE No. 954 ^A/_A

To

I.

With reference to your Office Note No. 190 dated 23rd, June 1898 I beg to forward, herewith, copies of correspondence noted in the margin between myself and the Accountant General, Public Works Department on the subject of realization of contribution for works, and would ask that Government be moved to modify the orders contained in G.O. No. 429 I dated 30th, May 1898.

BACK PAPERS.

Copy of letter from E.A. Denny Esquire Examiner, P.W. Accounts
Madras to the Accountant General, Public Works Department No.
82I A/A dated 5th. July 1898.

In G.O. No. 429 I dated 30th. May 1898, (copy attached), the
execution by the P.W.D. of a certain contribution work was
sanctioned, by the Madras Government, the contribution payable
being realized on its completion. I pointed out that the rule
in P.W. Code Volume I, Chapter IX para 8I contemplated reali-
zation of the contribution in advance, either in a lump sum or
by suitable instalments on fixed dates, and that, therefore,
the orders passed regarding realization after completion re-
quired modification.

2. In reply, the Joint Secretary to Government in the
Irrigation Branch states that, under the Code para quoted, the
Local Government being satisfied that the contribution will
be forthcoming when required, ordered its recovery on the com-
pletion of the work which, in the present case, may be considered
to be a fixed date.

3. I have the honor to request that you will favor me
with an expression of your opinion as to whether the principle
involved in P.W.D. Code I, IX, 8I, viz of realization in advance,
will permit of the sanction accorded in the above case being
accepted under the circumstances explained by the Joint Secretary.

The acceptance of the view put forward appears to me to
involve the overstraining of the spirit of the Code rule on
the point, and if sanctions of this nature are to go unquestioned,
the observance of the necessary conditions respecting contri-
bution works must apparently become a dead letter.

A. R. Becher Esquire
Copy of letter from the Accountant General, Public Works
Department to the Examiner, P.W. Accounts, Madras No. 566-G dated
27th. July 1898.

With reference to your letter No. 82I-A/A of the 5th. July

1898

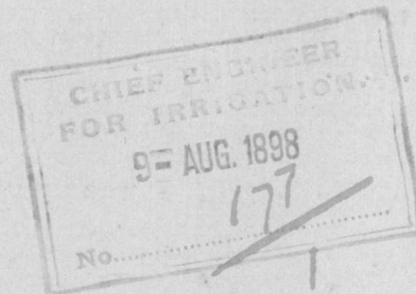

0.45.1
656-158

1898, asking whether Public Works Department Code Volume I, Chapter IX paragraph 8I will permit of contributions for a contribution work being realised in a lump sum on the completion of the work, I have the honor to say that in my opinion all expenditure incurred by the Public Works Department must be recorded under the appropriate head and be covered by a grant or by a deposit of funds. In the case in point there can be no grant, and there should consequently be a deposit of funds to admit of the work being carried out.
