No. 648 Idy 29.8.98 The Resident at Hyderabad

Sir

Please have this letter issued at once -
26/8/98

The Executive Engineer, Madras Road, is charge of our Brigation work along the Lushkadra River, having reported that orders have been issued by W & A the Government to start an irrigation work, known as the Bhunore Project; involving the construction of an aqueduct across the Lushkadra River, at a point about 16 miles west, of the mouth of that River, by the Madras Railway; I am directed to request, that you will be so good as to obtain & forward for the information of the Government, full particulars of the proposed Project, which would, I readily have already sent, interfere with our interest with vested British interests in the River & its project.

Honble Sir Henry Bliss, K.C.S.I.

Mr. Trundle, I.C.S.

FOR ORDERS.

I have just heard from Mr. Clerk the Ex^{ce} Engineer Bellary. That orders have been issued by the Vizianagaram Government to start what is called the Bhumer Project. Bhumer is a place some 16 miles west of the Lungabhaara Station at the crossing by the Madras Railway of that river. The Project so far as is known consists of the rebuilding of an old ancient & the excavation of a channel to extend as far as Raichore (how this is to be

This should be done. The President should
be asked to send us full details of the
project, so that we may see if it
affects us. Meanwhile, he should
be asked to get all work stopped.
Hope Members should see this.
