Financial Department

Memorandum No. 560

Read the following paper:—

From J. B. Brunyate Esq., Under Secretary
to the Government of India. Finance and Com-
merce Department, No. 865-P, of 13th February 1898:—

With reference to the Post Office Insurance
Rules of which copies have been supplied to the
Government of Madras I am desired to inform you
that a discrepancy has been noticed between
the last line of Rule 12 and the last column of
Table IV. It will be seen that while Rule 12 con-
templates endowment insurances being payable at
death or any age not greater than 55, Table IV
quotes rates up to the age of 60 years.

An amendment slip is under issue modifying
Table IV so as to bring it into accord with rule 12,
and I am to request that pending its receipt the
rules may not be republished. Any copies required
for immediate distribution should be corrected by
the striking out of the whole of the column headed
by the number 60 and of the age numbers 51, 52, 53,
54, 55 in the first column and of the rows correspon-
ding thereto.
