PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

From the Inspector-General of Registration, G No. 7647, dated 4th December 1897:—

I have the honour to request that Government will be pleased to issue orders for the preparation of a plan and estimate for the addition of a room for the Sub Registrar's office at Atmakuru in the Kurnool District, in the building which has been ordered to be constructed for the use of the Deputy Tahsildar at that station.

2. The Sub-registrar's office is now held in a rented building which is unsuited for a public office. No other building is available on a moderate rent.

3. The registrations in this subdistrict do not exceed 500 documents per annum and the sub-registrar has but one clerk. A room, 16 feet square, will therefore be sufficient for all his requirements. The Executive Engineer who has been consulted states that a room of this size can be added to the Deputy Tahsildar's building at a cost of about Rs. 1050 without spoiling its symmetry.
