BACK PAPERS.

FURTHER PAPERS.

To,

His Excellency Sir Arthur Havelock, K.C.S.I.
Governor of Fort Saint George
MADRAS.

MAY IT PLEASE YOUR EXCELLENCY.

*The humble memorial of the Citizens of Karur,
Coimbatore District most respectfully
showeth:—*

That,

1. The Taluk Office of Karur Town is removed from its old building to a new building constructed for the purpose by the Government.

2. The old building was originally used as Travellers' Bungalow or chattram before it was utilized for the Taluk office by the Government; and since its occupation a small building near the present Municipal market has been used in its place as chattram. This building is inconveniently situated and is quite inadequate for the purpose of a chattram and European and other respectable visitors to this town never put up in it. The lack of proper accommodation for such visitors is very keenly felt.

3. Karur is the head quarter of the Taluk, the seat of a Munsiff's Court, the principal Railway Station between Trichinopoly and Erode and is on the main road between Trichinopoly and Dharapuram. Travellers and visitors of all classes are therefore numerous and the want of a suitable accomodation for them is very much felt.

much felt.

4. The building now being vacated by the Taluk Office is well fitted to serve the purpose of a general rest house and it is believed that the Municipal Council would gladly undertake the maintenance of it if granted for the purpose.

5. In a meeting of the town's people held in this place on 6-9-97, it was unanimously resolved to address a memorial to Your Excellency praying to bestow this favour upon the town. A copy of the resolution is submitted.

6. In conferring this boon to the inhabitants of Karur, Your Excellency will be relieving a long felt want of the people and the Citizens of Karur will be laid under a deep obligation for Your Excellency's charitable and generous act.

Praying the Almighty God for Your Excellency's long life and health.

We humbly beg to remain,
Your Excellency's humble Memorialists,

Disposal No. 503, Revenue, of 1898, dated 12th February 1898.

Submitted to Government through the Executive Engineer.

2. The Sub Collector of Coimbatore approves the proposal. He observes that there is no suitable building at present in Karur which could be used as a chattram and that the old Taluk building might be conveniently utilised as a ~~rest~~ ^{rest} house, and handed over to the Municipality which has consented to undertake its management (vide copy of the resolution enclosed). The building is not likely to be required for any Government purpose. The only officer who has no Government building to hold his office is the Sub Registrar of Lakshminarayana mudram. But the old building is outside his jurisdiction and the office should be located in the new Taluk chattram compound.
