Read ----- letter from A.W.B. Higgens Esquire, Collector of Tinnevelly, Ref: on Cur. No 1254/ gen/rev. of 98 dated 29th August 1898.

RESOLUTION:-------- In the letter read above the Collector of Tinnevelly brings to notice that on the 16th July '98 a disastrous fire broke out at Alagiamanavalapuram in Srivaikuntam Taluk, resulting in the destruction of about 220 houses and in the loss of eleven lives. It is stated that the estimated value of the property destroyed was Rs 11,000 and that owing to the poverty of many of the persons concerned the Tahsildar has been instructed to grant for the reconstruction of their houses palmyrah and margosa trees free of cost from Government lands. A supply of bamboos is also required, and the only clumps growing in the neighbourhood- which are situated on the bank of the Tambrapurni, a 2 miles above the Srivaikuntam Anicut, are in charge of the D.P.W. under G.O.No 527 I.dated in July '94. The Collector is consequently unable to make the requisite free grant of bamboos without the sanction of Government, for which he now applies at the instance of the Executive Engineer. Not more than 250 bamboos will be required.

2. The Board supports the application and requests that having regard to the urgency of the matter, the orders of Government may be communicated by telegram to the Collector.
