an

an estimate of Rs 1.820 for providing handles to famine tools and for purchasing baskets to fit use on Famine Relief works in the Bellary Division, was sanctioned under 45. Provincial Civil Works. This estimate was resanctioned under 33. Famine Relief vide G.O. No 338W dated 4th February 1897. The Suptg Engr now submits for sanction a revised estimate of Rs 9,000 for famine tools alone, and states that the cost of the other articles will be charged to "Works". The revised estimate is apparently rendered necessary by local purchases of tools in addition to those obtained from P.W. stores
