2. And also letter from the A. Collector of Tinnevely dated 4th January 1888, Dis. No. 2/Genl. of 98.

In reply to Board's Ref. on R.No.4724

25th September 1897, I have the honour to submit a plan of -
the building occupied by the Subordinate Court, Tinnevely,
and the English Correspondence Department of my office. The
main block of the Collectors office buildings has pukka ve-
randahs (terraced) and it was considered desirable that the
English Correspondence room should have similar verandahs.
These are for obvious reasons preferable to thatched verandahs
and will save the annual renewal of the thatched roofs.

Reference thereon d/19th Jany. 1898.-

Submitted to Government with the recommen-
dation, that orders may be issued in the Public Works Dept.
for the preparation of an estimate for terracing the roof of
the building occupied by the English Correspondence Department
of the Collector's office, Tinnevely, and for substituting a
terraced verandah for the present thatched one.

to have the whole of the building tiled. The portion of the
building occupied by the Sub-Court and that it is desirable
to have similar alteration in the tiled roof of the office of
the English Correspondence Department as it is similar in
situation.

2. I agree with the Executive Engineer and request that
the Board will be pleased to have the Government for issue
orders for the preparation of an estimate for the proposed
alteration in the roof and for the construction of pukka ve-
randahs in place of the present thatched one.
