18 FEB. 1898

With reference to your No 5599 of 24-1-98 on G.O. No 112 W dated 17-1-98, I have the honor to state that N. P. Pattabhi Ramiset was employed on famine duty as a subordinate in charge of works (an Overseer) and not as a Clerk as Rs 60 as mentioned in the foregoing Government Order which needs alteration accordingly; I regret I did not make this clear in my No 9624 B dated 27-11-97.

2. As regards para 2 of the G.O, I have the honor to report that N. P. Pattabhi Ramiset was the only man transferred from the Revenue Department and employed on Executive duties in the Public Works Department.

Department in connection with famine relief work. It is requested that orders may be passed as to the grading of this man, in the Department to enable me to settle the Travelling allowance due to him.

Your Office Note No.905 C dated
16th. February 1898.

As the appointment of Puttabhi Ramier as a "Clerk" was approved by Government, it seems necessary that the formal approval of Government should also be obtained to the proposed alteration of the designation of the appointment.

2. If, as is presumed, the clerk has not passed the requisite test for an appointment as an Upper Subordinate, it will be necessary for Government to exempt him from the required test under P.W.D. Code Volume I, II, 5I., and sanction to both change of designation and exemption might be applied for at the same time.
