SIR,

Enclosures. 1

With reference to your No. V/44 S.A. dated 25 May 1898, I have the honour to forward copy of letter No. 1086/ver dated 25 July 1898 from the Collector of South Arcot to the Executive Engineer, and to state that as the cost of constructing the proposed dam across the Ariagoshti Channel in Thottar limits is small, I concur in the views of the Collector and recommend that the work be carried out at Government expense.

I have the honour to be,
Sir,

It is observed that the Construction of the dam Cost Rs200 was sanctioned with the view of stopping further dispute about a mud dam - If the proposal will spoil the object & is likely to lead to a former unfortunate dispute if water to failure of the ryots to contribute towards its cost does not seem to be sufficient reason for the abandonment the works - The C.E. might be asked to forward E1 costs to
