READ—the following papers:—

Application to the Superintending Engineer, IV Circle, for a re-appropriation of budget grants.

[Statement.

APPLICATION to the Superintending Engineer, IV Circle, for a Re-appropriation of Budget Grants.

No. 4095.

[illegible]

(1) The increase under Extensions and improvements and repairs is due to certain works which are urgently required to be done before the end of the current official year for which the present grant is not sufficient.

(2) The work of diverting Sengapallam jungle stream which crosses the Padukattu channel, a bout 1,000 feet below its channel head, having been sanctioned under Major works, the balance of estimate has now been applied for.

(3) The increase under the head Minor works and Navigation, Original works, is applied for in consideration of the estimates already sanctioned owing to their urgency. The increase under the head Minor works and Navigation, Original works, is applied for in consideration of the estimates already sanctioned owing to their urgency. The increase under the head Minor works and Navigation, Original works, is applied for in consideration of the estimates already sanctioned owing to their urgency. The increase under the head Minor works and Navigation, Original works, is applied for in consideration of the estimates already sanctioned owing to their urgency.

(Signed) C. H. B. BURLTON,
Executive Engineer.

SUBJECT.

Application for reappropriation of Budget grants under Provincial Irrigation Commissioner Division —

Forwarded for sanction — F.E.S.

23/9/98

23/9/98

Idol. II, Chapter IV, para. 135 (h).

4. In the case of Irrigation works, the entries in the column "Departmental and service head" should show distinctly whether the proposed re-appropriation is debitable to Capital or Revenue, and the entries in the column "Works" should be so arranged as to show the project to the Capital or Revenue account of which the charge is debitable, and the class of service to which the charge is debitable, thus :—

PROJECT.

(1).—HEAD WORKS—

(B). Land

(K). Buildings

In cases of Productive public works, the fact of their being so should be noted against the entries.

5. It being of the utmost importance that early intimation of possible lapses, or of excesses, in outlay on works should be communicated to the Government, a close watch should be maintained on the progress of all works by Executive Officers, and this form employed the moment the facts are sufficiently known.

6. Applications for re-appropriations which require the sanction of the Government of India should be submitted by the local Government in duplicate; applications by Executive Engineers should be submitted through the Superintending Engineers of their Circles.
