Copy of a letter from H. A. Mossbrough General
Superintendent, P. W. Stores Division, to the Superin-
tending Engineer, 5 Circle, No 254. Dated 14 December 1897.

I have the honour to inform you that one
electric current meter, Harlacher's, of newest make
has been lately received from England as per
packing account per S. S. Malta of 8 October 1897
but without a pamphlet of instructions for its
use.

Colonel Smart R. B. Superintending Engineer
who indicated for the instrument has asked for the
instructions. I therefore request you will be so
good as to write to London for the pamphlet which
ought to have come with the instrument.
