 It appears the Superintending
 Engineer, ~~the~~ Circle, is preparing plan
 and estimate for the construction of
 a bridge over the Thémigar on Road to 38
 Periyakulam to Gudalur, and that to 12
 has already been incurred in taking
 survey and levels of a side for the
 bridge. I have the honor to state that
 the work having been resolved by the
 District Board to be postponed in-
 definitely, and the Government informed
 of the fact in this office No. $\frac{138}{22-11-95}$ and
 240 it appears unnecessary to prepar-
 ate and estimate for the work.
 The order of Government No. $\frac{226}{2-2-96}$
 does not mention anything about the
 Thémigar bridge, but I understand it
 was intended by Mr. Twigg and the
 District Board that it should also be
 postponed.
