The Govt. of India will

10th ⁹¹ Aug to the Govt. of India
Sri,

I am directed to request that the Kollegal Taluk of the Coimbatore District in this Presidency, may be included in Appendix J, Vol I P.W. Code, and that a local allowance may be granted to upper and lower subordinates of the P.W. Dept, whose headquarters may be within the Taluk. The locality is very feverish and service there is very unpopular.

2. It has been ascertained that the Talukdar of Kollegal is granted a local allowance of Rs 50 per mensem, and that two Revenue Inspectors in the Agrippuram & Modalli firkas of the Taluk are each granted Rs 10 per mensem, & it is considered that P.W. Subordinates employed in the same locality have equal claims to some extra remuneration - This Govt. is of opinion that the one will be met by the grant of a local allowance of Rs. 25 per mensem to any upper subordinate down to the class of overseer, and of Rs. 15 per mensem to any Sub overseer who may be stationed in the Taluk, & I am to say that the monthly cost will not ordinarily exceed the allowances of one upper & one lower subordinate.

3. That the locality is a special one is acknowledged by the fact that it is

included in Appendix 26-
Civil Service Regulation, & that
that daily allowances in
it are increased in the
proportion of 50 per cent -

Letter from A. A. G. Malet Esq.
Executive Engineer Coimbatore Division
to the Superintending Engineer IV
Circle, dated Coimbatore, 5th February
1898 No. 534.

I have the honor to enclose
Copy of Coimbatore Collector's No. 341
dated 1st February 1898, and to suggest
that a local allowance should be
granted to the overseer stationed at
Kollegal.

2. If you see no objection, I
would ask you to move Government
to grant a special allowance of Rs 25
per month to any Upper Subordinate
not under the grade of overseer and
of Rs 15 per month to any Suboverseer
who may be stationed in Kollegal
Taluk.

3. The locality is feverish, medical
aid on behalf of the Subordinates'
family would be more frequently
required in Kollegal than in other
parts.

parts of the District. The health of the Subordinate is likely to suffer. rendering leave a more frequent necessity.

4. Some domestic expenses are, it is believed, unduly high in this taluk.

No. 90 d/14th February 1898

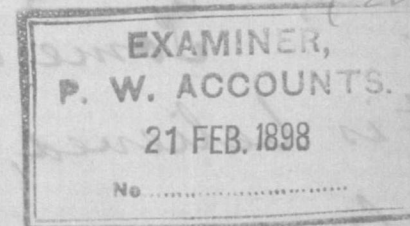

Copy Submitted to the Chief Engineer Public Works Department. If a local allowance is necessary in the case of Tahsildars appointed to Kollegal it is equally necessary in the case of Public Works Subordinates who have to travel all over the taluk.
