READ—the following paper:—

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 18th March 1898, No. 726 G.

With reference to correspondence ending with your endorsement, No. 2703 W., dated 28th September 1897, I am directed to state that the Secretary of State has decided that Mr. Medicott's claims to leave shall be treated under the Colonial Leave Regulations during the term of his engagement under the Cyprus Government, and that any claims he may have to leave under the Indian rules shall be treated as in abeyance during that period. In these circumstances his service under the Colonial office will not count as service for leave under the Civil Service Regulations of the Indian Government.

2. I am further to state that, in connection with the question of the abatement that should in consequence of the above decision be made in the contribution payable by the Government of Cyprus on account of Mr. Medicott's leave allowances and pension, the Government of India have proposed that the case should be dealt with on the analogy of article 811 of the Civil Service Regulations, that is, that the contribution which will be for pension only should be levied at the rate of $\frac{1}{4}$ th instead of $\frac{1}{2}$ th of his assumed pay. The effect of this will be that the contribution will be reduced from the monthly amount of Rs. 262-8-0 to Rs. 175 a month up to 31st March 1898, increasing by Rs. 8-5-4 a month on each successive 1st April thereafter.

3. I am to request that the Examiner of Accounts may be informed accordingly.
