G.O., No. 853 W

[Despatch Abstract.]

Mr. J. A. Stephens, Sub Engineer 1st grade, and Honorary Assistant Engineer, permitted to retire from the Service with effect from the 1st March 1898

Note - Mr. Stephens, having completed 30 years service and more, may voluntarily retire under art. 509 C.S. Regs.

His application has been kept back until the papers relating to the dispute with Mr. Shore should be disposed of - That matter has been settled, & it is recommended that formal permission to retire be now given him -

He first applied to retire from 22 Feb 1898, but he has now requested that the date may be postponed to the end of the month - There is no objection to this, for he has been on furlough on half pay, & it will make no difference if his pension is granted from 1 March.
