Chap. IV, paras. 30 to 32.

1. All applications for leave must be made to, or through the departmental superiors of the applicant in this form; in the case of accountants and members of the upper and lower subordinates, petty or office establishments, they should be accompanied by a duly attested extract from the applicant's service book, showing his previous leave and service. This form is not applicable to applications for furlough from Military officers and subordinates, see Vol. 1, Chap. V, paras. 12, 14, 47 and 100.

2. All applications for leave from officers for whom leave and service registers are maintained, will be forwarded by the applicant through the usual channel to the Examiner, who will draw up a statement of previous leave granted to the applicant. If the leave can be granted under the rules, the Examiner will certify the fact. The Examiner will then forward the application and certificate to the officer vested with power to grant the leave or to the local Government or the Administrative Head of a Railway by whom it will be submitted, when necessary, to higher authority.

SIR,

ENCLOSURES. 1.

In forwarding herewith an application for three months Privilege leave from 7th April next from Mr. J. Inglis, Executive Engineer in charge of the Trichinopoly Division, I have the honor to inform you that, though I have recommended that the leave be granted, there is no officer available in the Circle to relieve him, and that I am unable to spare the services of the only upper subordinate in the Circle whom I consider competent to hold charge of a Division. I have therefore the honor to request that, in case the leave applied for is sanctioned, some one may be posted to hold charge of the Division.

Note for His Excellency the Governor

With reference to His Excellency's remarks on Note for Orders on C. No. 2179 of 11th instant, I beg to point out that the requisition for sanction to the appointment of a temporary Engineer was made on the ground that the number of officers absent was in excess of the provision for absentees. This provision is 10, and they are all supposed to be on furlough, but, as a matter of fact, only 7 are on furlough, & the other absentees have been lent to foreign Governments, e. g. Mr. Mackenzie to Egypt, Mr. Allen to Hyderabad, Mr. Hawkins to Hyderabad-Godavari Valley Railway. It would bear very hardly on Officers to refuse sanction

sanction

sanction to furlough which is due to them, because of the above loans, especially after the restrictions on furlough which were in force last year.

2. The present application is, however, one for privilege leave, which is not affected in any way by the absentees on furlough, because temporary and local arrangements are made to fill the vacancies so caused and applications for privilege leave are usually considered quite apart from applications for furlough.

3. There is therefore no objection to the grant of privilege leave to Mr. Inglis, more especially as the Department will be made ~~of~~ up to ~~sanctioned~~ proper strength by the appointment of the temporary engineers lately sanctioned. But if my proposals to appoint an officer to survey, estimate for and construct the new road to the Anamalais from Bodainaikenur to Kotagudi is sanctioned, I shall want Mr. Subrahmanya Aiyar for that work, and Mr. Inglis' leave must be refused. I have ascertained that it is not a matter of urgency. I request, therefore, that this matter may await a decision with regard to the above road, which has just been referred by His Excellency's orders, to the Financial Department.

The leave had better be at once refused. (Mr. Inglis is not a very efficient officer. He proved himself not up to famine work)
A.G.H.

4. With reference to His Excellency's remarks about Mr. Subrahmanyaaiyar, I beg to point out that he failed to give complete satisfaction in Kurnool because he was given a task in organising famine relief works beyond the powers of any native Engineer in the Department. He did his best, and if Mr. Le Fanu had given him assistance instead

If I recollect right, it was worse than this. I think Mr. Subra-manya aiyar was obstructive and insubordinate.
A.G.H.

instead of abuse he would have done better. At ordinary work I consider him a good specimen of a Native Engineer, and I hear that he has well satisfied Mr. Smyth since he has been on the Periyar Irrigation Works. He is, I know, very much distressed at the bad opinion which His Excellency has formed of him, and I trust that, when the time comes, his partial failure in special work in Kurnool may not debar him from the opportunity of showing that he can do good work.

SUBJECT. Application for privilege leave from Mr. J. Inglis, Ex. Engr.

FOR ORDERS.

The accompanying application for 3 months privilege leave from 7th April 1898, from Mr. J. Inglis, Executive Engineer, Trichinopoly division, is recommended for sanction.

Mr. Inglis last obtained privilege leave in November 1891, when he was absent for only 24 days. Since then the only leave he has had was sick leave for 27 days in March 1894.

If the leave be granted, it is proposed that Mr. S. A. Subrahmanya Aiyar, Ex. Engr. 3rd Grade temporary rank be appointed to officiate as Ex. Engr.

In a recent paper, Mr. de Winton asked for a temporary increase to the Dept. on account of its being short-handed. In according to the application, I said that as long as the Dept. is short-handed, leave should be given only when urgently wanted. Is this a case of urgency?

A.S.H. 16.3.98

Mr. S. A. Subramaniya Aiyar got into a scrape in Kurnool during the famine. I am not sure that he has yet purged [illegible] his offence.

A.S.H. 16.3.98

Trichinopoly division during Mr Inglis' absence.

Although the undersigned should never again recommend that Mr Subrahmanya Aiyar be placed in charge of the very onerous task of organizing large numbers of famine relief workers, he considers him fully competent to take charge of an unimportant division like Trichinopoly.

Proposed to submit this file to W. with reference to His Exc.'s remarks.

The requisition for sanction to the appt. of a temporary Engineer was made on the ground that the number of officers on furlough was in excess of the provision for absentees.

Applications for privilege leave should apparently be considered apart from applications for long leave - Temporary & local arrangements are usually made to fill the places of priv. leave absentees.

W will no doubt reply to His Exc.'s
