Copy of letter from J. P. Davidson Esquire, Executive Engineer,
Chief Engineer Division to the Examiner Public Works Accounts,
Madras, N. 1852 dated 28th January 1898.

I have the honour to forward the following
case for favour of your opinion.

B. Muthukrishna Mudaliar was a temporary
Upper Subordinate's clerk in this Division. On the
transfer of Upper Subordinates from this Division to
Examine duty, his services were dispensed with on 12th
July 1897. On that date he started for Bellary having
been directed by the Superintending Engineer II Circle
to proceed there and report himself to the Superintendent
to proceed there and report himself to the Superintendent
as an Engineer III Circle for duty on famine works as a
temporary clerk and he drew Travelling allowance
and pay for the journey under sanction conveyed
in L.O. N. 2204 W. dated 11th August 1897. While em-
ployed in Bellary, a permanent appointment as
clerk fell vacant in the Buckingham Canal
Division and the appointment was given to him.
He joined this appointment on 8th November 1897
after close of famine work.

He now claims travelling allowance for the
return journey from Bellary to Madras. Under
article 1243 Gen. R. he is apparently entitled to
travelling allowance but it is not clear which
Division Bellary or Buckingham Canal is to
bear the charge. I request your opinion on the
validity of the claim and if this be admitted
instructions as to the division which is to be
debited.

With reference to your letter N. 1852 dated 28th January 1898, I have the honour to state that the case in question should be treated as one of transfer and that under articles 208 + 1203 C.S.R. sanction of Government is necessary to the grant of transit pay and travelling allowance to P. Muthu Krishna Mudaliar for the journey from Bellary to Madras.

2. The charge, when sanctioned and paid should be borne by your Division.

N. 3869 dated 10th March 1898.

Forwarded to the Superintending Engineer, Madras with a request that the requisite sanction of Government may be applied for and obtained at an early date.

(Signed) J. P. Davidson
Executive Engineer,
Chingleput Division

N. 1868.
