Declaring that — in all departments of the public service are ineligible for pension ; and stating that this declaration will not affect the claims of any individuals of the class at present in the service, whose claims for pension have been held admissible under the rules of the Civil Service Regulations.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—again G.O., No. 489, Pension, dated 3rd July 1897.

READ—also the following letter from Surgeon-Major-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Pension Department, dated Camp, Ootacamund, the 13th July 1898, No. T-291:—

I have the honour to solicit the orders of Government on the following doubtful point.

2. Under the list appended to paragraph 3 of G.O., No. 489, Pension, dated 3rd July 1897, toties as a class are declared ineligible for pension. The principle, however, on which the decision has been arrived at, under article 384 (c) of the Civil Service Regulations, is, that these menial servants "are not whole-time men." The question then arises whether those toties whose whole time is "retained for the public service" are to be considered as without the scope of the Government Order.

3. The Senior Medical Officer, General Hospital, Madras, has raised the above question in connection with the toties employed in that institution. He states that "these men are employed day and night in batches and their services are therefore continuous", and requests to be informed if they are not eligible for pension.

4. The Accountant-General, to whom I referred the point for opinion, states, in his letter, No. I.A.E.-190, dated the 30th June 1898, "that the matter should be referred to Government for orders".

No. I.A.E.-255.

Submitted with reference to G.O., No. 489, Pension, dated 3rd July 1897, and to the proviso in article 382 of the Civil Service Regulations.

FORT ST. GEORGE,
26th July 1898.

(Signed) T. HESKETH BIGGS,
Accountant-General.

To the Under Secretary to Government, Pension Department.

ORDER—No. 793, Pension, dated 17th October 1898.

In the Government Order read above, it was pointed out that, under article 384 (c) of the Civil Service Regulations, scavengers (*toties*) are in general ineligible for pension as their whole time is not reserved for the public service.

2. The Surgeon-General now raises the question whether certain scavengers (*toties*) of the Medical Department whose whole time, he reports, is retained for the public service, should be considered eligible for pension.

3. The order quoted does not deal with the class in question. The Government is now pleased to declare that scavengers (*toties*) in all departments of the public service are ineligible for pension.

4. This declaration will not, however, be taken to affect the claims of any individuals of the class at present in the service, whose claims for pension have been held admissible under the rules of the Civil Service Regulations.
