Statement of Proposition for Revision of Establishment required for the special
Errad road works during 1898-99, Madras Presidency.

STATEMENT of Proposition for Revision of Establishment required for the special Ennad road works during 1898-99, Madras Presidency.

[illegible]

* As there are now five upper subordinates employed on Ennad road works each with an imprest account, the work in the Sub-division office is too much for one man and the employment of an additional clerk is absolutely necessary. Owing to the expensiveness of the place the pay of the Sub-division clerk, Rs. 30, is not sufficiently attractive for a competent man and the present clerk having only worked under overseers is not able to cope with the work of a Sub-division office. As it is doubtful whether a competent temporary clerk can be had even for Rs. 45, it is proposed to send one of the permanent clerks in the 4th class, 3rd grade, now working in the Division office as Sub-division office clerk, Ennad, with a local allowance of Rs. 15 per mensem.

† Decrease owing to the transfer of one of the sub-overseer to the North Arcot division.

Certified that the entries under the head "present scale" have been duly verified by me.

19th February 1898. Suptg. Engineer, IV Circle.

Office-note from the Examiner, Public Works Accounts, dated Madras, 19th March 1898, No. 361 A./E.

[Your office-note No. 1273 C., dated 2nd March 1898.]

Returned duly checked with the following remarks:—

- (1) The column "office to which the proposition refers" had not been filled in, but this has now been done in pencil by this office.
- (2) The proposal to grant a local allowance of Rs. 15 per mensem to a permanent clerk in the 4th class, 3rd grade, when appointed as Sub-divisional office clerk, Ernad, will require the sanction of the Government of India, vide G.O., No. 2165 W., dated 5th August 1892; also my office-note No. 288 D./E., dated 26th January 1897, and No. 247 A./E., dated 22nd February 1898; but if it is intended only to grant the permanent clerk an increase of pay against the temporary sanction of Rs. 45 per mensem (if accorded) there will be no audit objection if the case is held not to fall under the rule in Public Works Department Code I.I.109 A. It would be better if Superintending Engineer made a special application to Government on this point and separate orders passed.

ORDER—No. 875 W., dated 31st March 1898.

The temporary establishment required for Ernad road works during 1898-99, as detailed in the statement submitted by the Superintending Engineer, IV Circle, is sanctioned with the exception of a Sub-divisional clerk on Rs. 45, for whose entertainment separate application should be made as suggested in paragraph 2 of the Examiner's office-note.

2. This sanction has been registered as Provincial No. 99 W. of 1897-98, and classified as Establishment—Temporary.
