Ref: on C. No: 800 of 96.

Sir,

With reference to Refon C. no. $\frac{1405-R}{23.6.98}$ of 98, I have the honor to report that the Managers of Sri Saptarishikwara Sivani temple at Lalgudi and Amanullakhan the Inamdar of Tekkuchattram, have paid the contribution noted against their names in the list that accompanied the above reference.

2. The Sudder of Kadikumbhari and Periakareppur refuse to pay on the ground that the demand is unpre-
-cedented. I think there is no other
alternative than to institute Civil suits
against them for recovering the amount.

3. The local Agent of the Prince of
Acreh. contends on the strength of the en-
closed order that he is not liable to pay
any contribution. The order seems to
support his contention.

4. The other parties have not ap-
peared & I have summoned them again
and shall see that the amounts are soon
collected.

Trichinopoly

Sir.

With reference to your No. 1433 T.C.
dated 29-8-98, I have the honor
to return, duly countersigned, the
five estimates received with your
letter No. 945 T.C. of 20 June 1898.

2. A copy of the letter of the
Head Quarter Deputy Collector al-
ready received in this office on the
subject of Contribution referred to by
you is sent herewith for your informa-
tion. It will be safer not to put
works in hand before the amounts con-

- tributed

- included are collected.

I have the honor to inform you that estimates for maintaining the under-mentioned channels during 1898-99 in the Trichinopoly Division have been prepared:-

- | | |
|---|------|
| (1) Maintaining Pungney Ch. Estimate Rs | 700 |
| (2) — Do — Puthuvai Ch. " " | 300 |
| (3) — Do — Inyan Channel " " | 850 |
| (4) — Do — Ramavai Ch. " " | 310 |
| (5) — Do — Peruvai Ch. " " | 1130 |

2. Agreeably to your Memorandum No. 25 TC of 16 July 1896, forwarding a revised statement showing the names of the Contributors and the proportionate shares they should contribute towards the repairs &c of irrigation works in which they are interested, the contribution to be paid by those interested in work No. 1. Comes

- tribute to \$ 9-2-5; That for work (No. 2) \$ 109,
That for work (No. 3) \$ 30-10-11, That for
work (No. 4) \$ 71, and That for work (No. 5)
\$ 20-4-2, making a total of \$ 240-1-6.
This amount includes establishment
and tools and plant charges.

25/10/99 3. The above estimates were forwarded
to the collector for his countersignature
and recovery of the contribution. In
returning countersigned the estimates,
that officer states that it will be
safer not to put works in hand be-
fore the amounts contributed are col-
lected, as it will be seen from the Dy.
Collector's letter to the collector that
certain parties refuse to pay their share
of contribution on the ground that the
demand is unprecedented. Copies of
these officers' letters on the subject
are enclosed.

4. As these estimates are for an-
nual maintenance of the channels,
they could not possibly be deferred
until they are sanctioned in regular
course, and they have therefore already
been put in hand.

5. Under the circumstances I

request that sanction of Government
may be obtained, under paragraph
79, Chapter IX, Volume I of the P.W.D.
Code, to the execution by this depart-
ment of the contribution works referred
to and to complete the same from
Government funds, the contributions
being credited to the works after
they are recovered.

I have the honor to be
Sir,

Yours most obedt Servant.
