ORDER

N^o 89768 31.3.98

H.E. the Governor in Council is of opinion that Mr. J. H. Stephens' duties in connection with famine relief in the Kurmoor division from March to October 1897, fulfil the conditions of clause (ii) para 3 of the Govt. of India Resolution printed with G.O. No 982 Fins dated 25th November 1897, & accordingly authorises the grant to him of full pay instead of half pay for the first two months of his leave on medical certificate -

note. The En. Eng. Kermack
division recommended the grant
of this concession to Mr Stephens,
and the undersigned can
certify that Mr Stephens' work
in connection with
famine was so unusually
arduous as to render him
deserving of the grant of
full pay during two months
of his leave.

This application was
held back by the under-
signed until the papers
connected with the dispute
with Mr. Jones had been
disposed of. That matter
has now been dropped
with Mr Stephens' apology,
and it is recommended that
the order over his pay be passed.

Mr Stephens did unskilfully
do poor work during the
famine, & I trust that his
very foolish insinuation
against the Reserve Dept will
not deprive him of a con-
cession which he has otherwise
justly earned.

For consideration whether
Mr Stephens can now
be recommended for
the concession of full
pay during 2 months
of his furlough, &
whether H.F. can be
told that Mr Stephens
famine service fulfils
the condition of the
H.F. Resolution -
