GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

ACCOUNT.
IRRIGATION.

TO

THE SECRETARY TO THE GOVERNMENT OF MADRAS,

Public Works Department.

Simla, the 27th October 1898.

Sir,

With reference to the Annual Return of open Capital - -
sanctions for 1897-98, received under your endorsement - -
No. 739 I. dated 23rd September 1898, I am directed to - -
enquire why the estimate for Rs. 2670/- for a "Temporary - -
Diversion" of the Bank Canal at Maskapalli, sanctioned in - -
Madras Government No. 208 I. dated 1st March 1897, has not
been entered in the return.

2. I am also to point out that the revised estimates for
Items 7, 29 and 30, sanctioned by the Madras Government,
have not as yet been reported to the Government of India,
and to request that reports of all such cases may, in future,
be made at time of sanction.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Secy. to the Govt. of India.

NOVEMBER.

Excess Outlay

Authorizing the Examiner of Public Works Accounts to pass the — of Rs. 1,818 incurred on the work "constructing cutstone platform with combined gratings and indicators to Vizeswaram headsluice," Gódávári delta system.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.
Account.

READ—the following papers:—

From J. C. LARMINIE, Esq., M.I.C.E., Superintending Engineer, I Circle, to the Chief Engineer for Irrigation, dated Dowlaishweram, 26th August 1897, No. 1011 G.D.

I have the honour to submit, herewith, a completion report received from the Executive Engineer in charge of the Gódávári Eastern division and verified by the Examiner of Public Works Accounts for the work "constructing cutstone platform with combined gratings and indicators to Vizeswaram headsluice (in place of wooden platform)," estimate Rs. 2,370, sanctioned in G.O., No. 890 I., dated 30th October 1895, and to request that you will be good enough to obtain the sanction of Government authorizing the Examiner of Public Works Accounts to admit the excess expenditure of Rs. 1,478 incurred on the work.

2. The most part of the excess is due to the gratings and indicators made in the workshops, an expenditure of Rs. 2,662-1-5 being incurred against the provision of Rs. 1,377 for this item in the sanctioned estimate, as explained in letter, No. 67, dated 28th April 1897, of the officer in charge of the workshops to the Divisional officer (*vide* copy attached to the completion report). The remaining excess is on other items for which no details of sub-heads are kept.

ENCLOSURE.

From the Officer in Charge, Government Workshop Sub-division, to the Executive Engineer, Gódávári Eastern division, dated Dowlaishweram, 28th April 1897, No. 67.

With reference to your No. 6065, dated 28th March 1897, I have the honour to state that

	rs.	A.	P.
March 1896	833	4	1
December 1896	1,740	13	5
January 1897	87	15	11
Total	2,662	1	5

the expenditure incurred by the shops up to end of March 1897 is Rs. 2,662-1-5, whereas the estimated amount of workshop work in the sanctioned estimate is only Rs. 1,377. Therefore, the excess on the estimate is Rs. 1,285. I have the honour to state that the original estimate provided in lump sum of Rs. 10 for each indicator, whereas in actual work it was found that the labour alone cost Rs. 16 for fitting one indicator; therefore, the net excess over the revised estimate is Rs. 628. The revised estimate now shows in full detail the actual cost of fixing the fifteen indicators. Some items, viz., cast iron pipes, &c., which should have been charged to maintenance of headsluice, were charged to this work. The necessary adjustment will be shown in the accounts for April.

No. 242 I.

Submitted to Government.

2. For the reasons given, the excess may be passed.

6th September 1897.

(Signed) W. HUGHES,
Chief Engineer for Irrigation.

ORDER—No. 1004 I., dated 12th November 1897.

The Examiner of Public Works Accounts is authorized to pass the excess outlay of Rs. 1,478, or Rs. 1,818 including establishment charges, incurred on the work "constructing cutstone platform with combined gratings and indicators to Vizeswaram headsluice," Gódávári delta system.

2. This sanction is registered as No. 117 I. of 1897-98.

(True Extract.)

(Signed) W. HUGHES,
Joint Secy. to Government,
Irrigation Branch.

To the Chief Engineer for Irrigation.
" Superintending Engineer, I Circle, with one enclosure.
" Examiner, Public Works Accounts.

Exd. T. K. Narayana Aiyangar.
