Note - There are at present about Rs 1900 at credit of the reserve under Post funds. Rs 1500 might at once be allotted for an immediate commencement of the Post Office quarters at Intecorin, the work, as shown by the Presy. Post Office, being now an urgent matter.

Pres. Post Office, New York.

It is understood that \$10,000 can be surrendered from the allotment to the Light House division - When it is known what sum can be spent on the Interior quarters before 31st March, & what amount can actually be surrendered by Mr Aspinall, a further allotment can be made to the work.
