SUBJECT.

Addresses presented to H.E. the Governor and replies made by him during his fourth tour.

Forwarding 5 copies for such action as may be necessary.

The above is the only subject which affects the Genl. Admin. & the papers are in circulation. C.O. is dealing with Marine subjects, & 1/4 of matters will be dealt with in those branches. The question relating to the erection of a lighthouse was disposed of in the L. & M. Dept, & anything further on the subject will be taken up in that Dept. The P.W. D. was concerned in the matter, only with regard to lending the boring tools.
