No 298 I d/30-11-98

Note by the Chief Engineer for Irrigation

In its Proceedings read above, the Board of Revenue (Settlement, Land Records and Agriculture) sanctions the execution by the Public Works Department of the marginally-noted three minor works, Revenue Department, in the Cuddapah district, ~~which involve masonry construction~~ and requests that orders may be issued for their execution

1. Constructing calingulah and repairing apron of Digiwakalwa Pulivendla taluk — Rs 750.
2. Constructing masonry dams in two places, a head sluice and an aqueduct &c in Pedda-Kalwa - Pulivendla taluk - 970
3. Providing an apron and retaining wall, and revetted wings at ends of anicut at head of supply channel of Palasamudram tank Royachoti taluk — Rs 650.

23 NOV 1898

execution, ~~the Supg: Engineer 3rd Circle may be asked to arrange for the execution of the works,~~ the necessary funds being provided for the purpose from the reserve at the disposal of Government under "Provincial" "43 - Minor works and Navigation".

Order thereon. No: 950 d/ 9·12·98.

The Supg: Engineer 3rd Circle will arrange for the execution of the works referred to in the foregoing note by the Chief Engineer for Irrigation.

2. The following transfers of funds are sanctioned:—

Approving the Execution by the Public Works Department of three — in the Cuddapah District and requesting the Chief Engineer for Irrigation to issue orders accordingly.

No 2314

Executive Engineer's Office
Dated 5th September 1898

From

A. H. Morin, Esquire
Executive Engineer,
Cuddapah Division

To

The Collector of Cuddapah

Sir,

With reference to your R.C No $\frac{57}{pol}$ of 98 dated 18th August 1898 forwarding extract from Board of Revenue Proceedings No 4447 Misc, of 22d July 1898, I have the honor to inform you that as the works therein referred to involve masonry construction, they should be carried out by this department. I therefore request that you will be good enough to forward the estimates as early as possible and appropriate funds for their execution. There are no funds at my disposal to meet the expenditure on these works

I have the honor to be
Sir
Your Most Obedient Servant

Cuddapah Collector's offic

Ref on current No. 57/Rsl of 98

Dated 17th September 1898

From.

H. O. D. Harding. Esquire
Ag. Collector of Cuddapah

To

The Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, Madras
Through the Chief Engineer for Irrigation Tank Restoration Scheme, Madras.

Sir,

In reply to para 3 of Board's Proceeding dated 22d July 1898, No 4447, I have the honor to report that I consulted the Executive Engineer and he informs me that he can undertake works Nos 38 to 41 and requests that he may be provided with funds. A copy of his letter is herewith submitted.

2. The estimate for work No. 40 "Dam across Tummala Vanka" of Ramapuram was prepared and sent to this Department by the Executive Engineer. Before recommending the work to Board, the Tank Restoration Party working in Nellore District was asked as to whether the work could be undertaken, as the Party had previously intimated that the tanks in Tummala Vanka Basin would be investigated

by

by it, but the Sub Engineer No I Party informed me in his letter No 190 M dated 31st May 1898 that it would take some time for the Party to investigate the Basin and that the work might be proceeded with. It was therefore recommended to the Board. In his letter dated 11th August 1898 No 318 M, the officer in charge of No I Party informs me that as it will very soon take up the investigation of the Basin, any works in connection with Thummala Vanka should be stopped under G.O No 197 I. dated 20th April 1889. This work cannot therefore be executed.

3 The allotment sanctioned for the District in B. P No 2 dated 4th January 1898 is Rs 25,000. Of this amount, the expenditure up to the end of last month is as follows:—

Allotment	Rs 25,000
Expenditure	
On works:	Rs 4680-5-3
Establishment	Rs 1276-„-„
Contingencies	Rs 9-8-0
Value of work executed but not paid for	Rs 4757-12-3
Amount allotted to works	Rs 9400-„-„
	Rs 20123-9-6
Balance	Rs 4876-6-6
Amount required for Establishment charges till the end of the year	Rs 2468-„-„

This amount will be required for expenditure on further works that may be executed under the supervision of the Revenue Department. I therefore request that the Chief Engineer may be asked to place funds at the disposal of the Executive Engineer from the lumpsum placed at the disposal of the Public Works Department or from the Board's reserve.

4. The estimate for the 3 works amounting to Rs 2,370 will be sent to the Executive Engineer on receipt of Board's orders.

I have the honor to be
Sir,
Your most obedient servant
