The Chief Engineer,

Q. w. d.

SIR,

ENCLOSURES

ENCLOSURES.

With reference to G.O. No: 134 W of
18 January 1898, passing order on the state-
ment of objectionable items in the ac-
count of Executive Engineer remaining
unremedied to end of August 1897 (ibid.)
I have the honor to forward for sanc-
tion of Govt an estimate of Rs 8,999
being the amount disbursed by the
P.W.D. to the Trichinopoly Municipality
on account of the water supply scheme.

2. This amount is made up of the sums of £ 6920 + 230 + 1849, paid under G.O. Nos: 1740 W of 11 July 1894, 3315 W of 18th November 96 and 1970 W of 21 July 1897. respectively.

3. From the nature of the work it appears that the whole outlay should be allotted to Provincial, Original Works.

Miscellaneous Public Improvements,
instead of to Civil Buildings, as the
main head "Water Supply" does not
appear under any of the other heads
under "L.S. Civil Works." If this view
is correct, I request that the Budget
head on the face of the estimate may
be corrected.

4. On receipt of sanction to the
estimate, necessary work back of
outlay will be made.

I have the honor to be
Sir,

Your obedient servant,

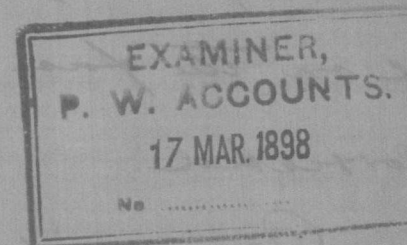

J. P. B. Kelly Esq. R.E.
Superintendent, Civil Circle

As the work in question is sole-
ly undertaken in connection with the
Jail, it should follow the classifi-
cation of the building, and come
under "Civil Buildings" and not
"Miscellaneous Public Improvements".
