FINANCIAL DEPARTMENT.

READ—the following paper:—

From F. C. HARRISON, Esq., Accountant-General, to the Secretary to Government, Revenue Department, dated Fort St. George, 18th February 1898, No. 595.

I have the honour to request orders of Government as to who should be regarded as the controlling officer for the purpose of countersigning travelling allowance bills of medical subordinates employed on famine duty.

2. The bills are now being countersigned by the District Medical and Sanitary Officer concerned. As, however, Collectors are considered responsible for all famine expenditure, a doubt has arisen whether travelling allowance bills above referred to should be countersigned by the respective Collector, and I therefore submit the point for orders.

Endt. R. No. 511.

Transferred to the Financial Department.
