Civil Works.,

READ—the following paper :—

From Commander H. A. STREET, R.I.M., Presidency Port Officer, Madras,
to the Secretary to Government, Marine Department, dated 25th March
1898, No. 668/120 G.

I have the honour to submit that a large scale plan of the limits of each port is
necessary to enable changes in the foreshore and the anchorage between such limits
to be shown. I have, therefore, to request that the Superintending Engineer of each
maritime circle may be authorised to supply on application a plan on a scale of 200
feet to an inch of the chief ports within his circle to the Local Port Officers.

ORDER—No. 992 W., dated 19th April 1898.

Communicated to the Superintending Engineers concerned who will give effect
to the request of the Presidency Port Officer.

(True Extract.)

Under Secretary to Government.

To Superintending Engineers, I, II, IV, V and VI Circles.

Requesting that the Superintending
Engineer of each maritime circle
may be authorized to supply
on application a large scale
plan of the limits of the chief
ports within his circle to the
local Port officers.

FURTHER PAPERS.

No. $\frac{668}{120}$ g

Presidency Port Office,
Madras, 25th March 1898.

From

Commander H.A. Street, R.I.M.,
Presidency Port Officer,
Madras,

To

The Secretary to Government,
Marine Department,
Chepak.

Sir,

I have the honor to submit that a large scale plan of the limits of each port is necessary to enable changes in the foreshore and the anchorage between such limits to be shown. I have, therefore, to request that the Superintending Engineer of each Maritime Circle may be authorised to supply on application a plan on a scale of 200 feet to an inch of the chief ports within his circle to the local Port Officers.

I have the honor to be,
Sir,

Your obedient servant,
