READ—the following paper:—

From the General Officer Commanding Madras District, to the Secretary to Government, Public Works Department, dated Madras, 25th March 1898, No. 1349.

(The Military Zone in relation to the General Civil Hospital.)

I have the honour to inform you that the Government of India have decided (vide Director-General of Military Works in India letter No. 280-C., dated 28th February 1898, to the Superintending Engineer, Madras Command, Military Works) that the military zone of Fort St. George, Madras, is to run as indicated in the tracing herewith forwarded.

2. I send this communication first, for general information; second, because the military zone must be kept clear for military purposes and this point might possibly affect your dealing with the land in question.

ENCLOSURE.

COPY of a letter, No. 280-C., dated 28th February 1898, from the Director-General of Military Works in India, to the Superintending Engineer, Madras Command, Military Works.

With reference to your letter No. 801, dated the 16th instant, I have the honour to request that as the intention to erect a Women and Children's Hospital on a site west of Fort St. George has been abandoned, you will cause the boundary of the military zone round the fort to be altered to include the site proposed for this hospital, as indicated by a black dotted line on the plan which accompanied your letter quoted above and which is returned herewith.
