No. 451 T.C.

Submitted to the Chief Engineer, Public Works Department, for approval and sanction.

2. (Items 1 to 4 and 6.) Absolutely necessary to keep the office latrines clean.

3. (Items 7 and 8.) The appointments were first sanctioned in G.O., No. 1157 W., dated 27th April 1891, and the necessity for the same explained in paragraph 4 of the letter printed with G.O., No. 1152 W., dated 19th April 1890, still exists.

4. (Items 9 to 11, 13 and 14.) The appointments are consequent on the execution of Tank Restoration Scheme estimates. As the works are still in progress and these involve additional work, the establishment is necessary. (Item 11.) The clerk is required to be employed under the Overseer in charge of Tank Restoration Scheme works. One clerk allowed to the Overseer is not sufficient to cope with the heavy work.

5. (Items 15 to 19.) The retention of establishment is necessary under the Executive Engineer on special duty, Madura, for the utilization of the grant sanctioned for Periyar Project works during 1898-99. (Item 16.) The pay of the second draftsman is reduced from Rs. 40 to 30.

6. (Items 22 and 23.) Required for the investigation of certain projects in the Madura division. The increase in the pay of survey lascars from Rs. 6 to 7 is necessary as it is impossible to get men on Rs. 6.

7. (Items 24 to 27.) The appointments were first sanctioned in G.O., No. 873 W., dated 10th March 1896, and the necessity for the same still exists. The pay of the driver at Thekady has been fixed at Rs. 63—vide G.O., No. 3096 W., dated 6th November 1897.

8. (Items 5 and 12.) Not required as the services of an upper subordinate at Kodaikanal are not required under the existing circumstances.

9. (Items 20 and 21.) The services of the surveyor and lascars are not required under the Executive Engineer on special duty, Madura, during 1898-99.

Note. In regard to the retention of the temporary establishment sanctioned in 1897-98, the S.E. explains that the circumstances which necessitated their entertainment in the first instance, continue to exist.

2 The items of decrease consist of
(a) a clerk on Rs 30 and a peon on Rs 9 per mensem originally sanctioned for the Upper Subordinate at Kodaikanal and now not required
(b) a surveyor on Rs 10 and 4 lascars on Rs 6 each per mensem, not required
and (c) reduction of Rs 10 in the pay of the 2nd draftsman under the Esq. Engr on special duty, Madras.
The total decrease amounts to Rs 133 per mensem.

3 The items of increase applied for are
(1) increase of 1 rupee to 5 survey lascars due to men not being available for Rs 6.
(2) an additional clerk on Rs 15 per mensem for

Y. The S.E. I. Arch
Engr. P.W. Arch

for the Tinnevely Division to be employed under the Overseer in charge of Y.R.S works.

Item (1) may be sanctioned. In regard to item (2), it is proposed to ask the S.E. to explain the necessity for the additional hand, as the pay of the clerk under the Overseer was increased from Rs 20 to Rs 25 on the ground that he was the only clerk available for the Y.R.S work which was heavy.

Increase comes to Rs 5 per mensem. There will thus be a net decrease of Rs 128 per mensem or Rs 1536 for the year.
