The existing accommodation in the General Post Office is insufficient for present requirements and the Estimate provides for enclosing a portion of the Public Waiting Hall with an ornamental wooden partition 56' x 20'10" x 8'4" for the Govt. Savings Bank Money order and Inquiry department as shown in plan accompanying.

The Consulting Architect who countersigns the Estimate remarks: "Design not by me, but general arrangement may be accepted. I don't know whether this is considered satisfactory, but, as the I will probably alter details." Work seems much wanted and Ratis. The work being chiefly of an ornamental character, it may perhaps be left to the C.A. to alter detail, & the estimate may now be sanctioned without returning it to C.A. for any alterations he thinks advisable.
