Executive Engineer

To,

The Collector
of Kurnool.

Dated 17 1 98.

Sir,

With reference to your
endorsement no 334 of 1897, I
have the honour to state that it
is immaterial what the amount
of estimate is for enclosing the
Stationary Sub Magistrate's office
at Sandyal, for the estimate
itself is a supplemental one
and must receive the sanction
of.

Government.

2. A mud wall round the building would be completely out of place, unsightly and unsuitable. It would cost Rs 520 to erect and require constant attention to keep in order. A wire fencing would cost Rs 700. While a stone masonry wall is estimated at Rs 790. The wire fencing is objected to as an insufficient protection against men and Cattle straying into the compound. The mud wall seems quite out of the question — there remains then the masonry wall for which the estimate now submitted, provides.

I have the honor to be
Sir,

Your most obedient servant

SIR,

Referring to Board's
Reference on G. O. No. 4046
31-8-97, I
have the honour to state that
the Executive Engineer, Kurnool,
is of opinion that it is not
desirable to erect a mud wall
with tiled coping round the
Sandyal Stationary Sub-division
Office as it will not
only cost about Rs 520 but

will

will also need constant attention
and that a stone masonry wall
may be put up round the building
at a probable cost of Rs. 770 (vide
Copy of his letter no. 5623 dated
17th January 1898) and I request
that the sanction of Government
may be obtained for the prepara-
tion of an estimate for the latter

Dated 10th July 1897.

Sir

I have the honor to inform you
that in the estimate sanctioned in
G.O. No. 2561 W of 18-10-95 for the
construction of a Stationary Sub-Magis-
trate's office at Nandyal at a cost of
Rs 9550, no provision was made
for a gateway and wire fencing for
the compound of the Cutcherry,
as it was originally proposed to
build the Cutcherry within the
Compound of the Taluk, butcherry.

As a fresh site adjoining
the Taluk butcherry was proposed
by your predecessor and the building
accordingly put in hand in that
site, an additional sum of Rs 690
is now required for providing a gateway
and

and were fencing for the compound.
I therefore request that you will be
kind enough to obtain the
sanction of the Government under
G.O no. 986 W of 26-4-95 for the
preparation of necessary estimate
for the above quoting the circum-
stances under which a change of
site was essential.

SIR,

In forwarding herewith a copy of
the Executive Engineer's letter no. 3473
dated 10-7-97, I have the honour to
request that the sanction of Govern-
ment may be obtained for the
preparation of an estimate for the
construction of a gate-way and a
wirefencing to the new Stationary
Sub. Magistrate's office at Nandyal
at a probable cost of Rs 690.
2. In the original estimate for
Rs 9550 approved in G.O no 4019 mis.
(Revenue) dated 7-10-95 communicated
