I hope you will have sent me by now a set of furlough and leave rules to Paris as I asked you to be good enough to do when writing from Colombo. If they have not been sent I beg that you will be so good as to forward them to me together with the other documents as soon as possible.

note. Mr. de Chazal, Assistant Engineer, came to Madison in February last, after family duty in Vermont, ill with fever, & armed with certificates from his medical attendants at Montpelier. These certificates were not in proper form, & Mr. de Chazal found that it would be necessary for him to procure one of the Dist. Surgeons as a witness for observation, & finally before a medical board, if he wished to obtain leave on medical certificate. To avoid the delay which all this would involve, he applied for 6 months leave on urgent private affairs under Art. 348 C. S. Regts., which was granted.

He now wishes to apply to the Secy of State for an extension of leave for 3 months, & asks for an order from this Govt., intimating that

it has no objection to the extension.

The leave on urgent private affairs for 6 months granted to Mr. de Chazal is not capable of extension except without pay or on medical certificate. It is proposed to point this out to him.
