ORDER.

The employment during 1898-99, of the establishment required under Mr Somers Cove, Executive Engineer on special duty, Coatacamund, as detailed in the statement submitted by the Suptg Engineer IV Circle with his endorsement recorded above, is sanctioned with this modification that the pay of Rs 60 proposed for the clerk under the Executive Engineer has been reduced to Rs 50. His Excellency the Governor in Council is of opinion that a clerk on Rs 50 is quite sufficient for Mr Somers Cove's Office work.

This sanction has been registered as Provincial No 7 W of 1898-99 and classified as Establt. Tempfy.

P.H.S. on the subject of
Note - In G.O. No 2148W dated 6th
 August 1897, sanctioning the entertain-
 ment of the temporary establishment
 required

required under Mr Lomers Case in 1897-98.
His Excellency has remarked that the work
does not seem to be heavy. The S.E. applies
for an increase of pay (Rs 10) to the Executive
Engineer's clerk. When the proposal originally
came up Colonel Campbell was of opinion
that a clerk on Rs 40 should be sufficient
~~but the work has since then increased~~
The draft order submitted provides Rs 50
for the clerk (ie) the same as in 1897-98.

2 The application for an increase of
pay to the clerk is based on the clerk's
petition stating that his pay is not suf-
ficient to maintain his family. Please
like this cannot be considered in fixing
pay.

3 Though the work is under an Executive
Engineer, it is virtually a sub division office,
and a sub divisional clerk on the hills
receives only Rs 30-40 per mensem.

Mr Lomers case's work at Oracampund
will certainly take another year to
complete

Cotacamund,

To,

J. J. Somers Esq.,
Executive Engineer,
on special duty.

Respected Sir,

In answer with
letter No 836
14-3-98

J. J. Somers Esq.
12.3.98

I respectfully beg to bring to your
notice that since taking up the appoint-
ment here I have been incurring expenses
as follows:-

To my maintenance
with family —

Rs 30-0-0 per mensem

House rent —

" 5-0-0 —

To the people at Coimbatore —

Rs 20-0-0 —

House rent —

" 2-8-0 —

Total Rs 57-8-0 —

Thus Rs 7-8-0 over and above my pay
of Rs 50-0-0. As there is no Native School
for my children here I am obliged to
maintain two families in two places
one for myself and one for children.

Apart from the inconveniences caused
by living on the Hills, I am incurring
debts

Rs 100/-
35/-

debts instead of saving something by coming to the Hills. I have already purchased warm clothing to myself & family to the extent of Rs 50 or 60 and still I have only one suit and cannot afford to procure another in case it is wet by rain during rainy weather. I have also to buy a pair of boots and a Rain Coat for Rainy Season which would at least cost Rs 10. This will be an additional debt to that already incurred. In the last 10 months of my stay here I am a debtor of nearly Rs 100 and if I stay longer I am afraid I will not be able to discharge the debts which will be increasing.

Under these circumstances I respectfully request you will be pleased to recommend to Government to raise my allowance from Rs 20 to Rs 30 and thus

thus bring my pay to Rs 60 which will be helping to check the growth of debt which would otherwise increase without any hope of discharge. ^{drawings Rs 30}

I beg to add that a clerk, ordered to Coimbatore from Madras Secretariat office gets an allowance (minimum) Rs 30 and I do not see why I should not get the same for remaining on the Hills.

I therefore humbly request you will be pleased to take the above facts into your kind consideration and raise my pay to Rs 60 by giving me an allowance of Rs 30 instead of Rs 20 as hitherto.

For which act of kindness I shall as in duty bound ever pray

I beg to remain,
Respectfully,

Your most obedt. servant,
S. Narasingh
