Note. The establishment applied for is said

said to be required for survey in connection with the Conservancy of the Cauvery which, the S.E. states, has become very necessary in the interests of the irrigation channels in the Coimbatore District. He adds that river charts ^{were} have been prepared in former years and that the Executive Engineer wishes to have tracings made of the charts and the present state of the river shown on them, so that the tracing of the river (entirely neglected for some years) may be taken up systematically.

APK I have perused the bundle
2.5.98. of this matter, and am
an that the surveys are
P.H.S. much needed. ^W

From,

A. H. Garrett, Esq.,
Suptg. Engineer, IV Circle,

To,

The Chief Engineer,
for Irrigation.

Sir,

Enclosure
Proposition
Statement.

In forwarding the enclosed proposition statement I have the honor to inform you that the Conservancy of the Cauvery has become very necessary in the interests of the irrigation channels in the Coimbatore District.

The subject appears to have received attention in former years and river charts were prepared. The Executive Engineer is anxious to have tracings made of these charts and the present state of the river shown on them, so that the tracing of the river which of late

late has been entirely neglected
may be taken ^{up} systematically.

As the survey should commence
at once I have authorised the
Executive Engineer to appoint
Surveyors and beg that my
action may be approved.

I have the honor to be
Sir,

Your most obedt servt

W. H. Hughes

Suptg. Engineer in Charge.

ated the 26th March 1898.

W. M. B. J. S. 26-3
Executive Engineer,
Coimbatore Division.

* In the case of appointments on progressive pay, the "average" should be

Certified that the entries under the head "present scale" have been duly verified by me.

Dated the _____ 189

Examiner, P. W. Accounts,
Madras.

NOTES.

Reference to P. W. D. Code.

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.
