The Secretary to the Govt. of India
P. W. Dept

Sir,

Adverting to para 6 of the Resolution of the Govt. of India N^o 477 dated 22nd Febr'y 1896, I am directed to report that on the 8th Sept. 1897 it was found necessary to place Hon'y Capt. & Deputy Commissary J. Lalor, Asst. Engineer, 1st Grade Superannuaries in executive charge of the Buckingham

nal Division owing to no officers
the ordinary Engineer establishment
being available. Capt. Salor claimed
officiating allowance at Rs 50 per
mensum from the 9th to the 31st Octo-
ber 1897 under the sanction of the
Govt. of India accorded in its letter
No 6434 dated 8th March 1897, but
the Examiner has disallowed the
claim on the ground that the
sanction referred to does not cover
the present case. He has further
pointed out that the grant of an
officiating allowance will deprive
Capt. Salor of Presidency allowance,
and Presidency house rent at the
rate drawn by him unless these
allowances are also specially
sanctioned by the Govt. of India,
as Presidency allowance is inad-
-missible to Provincial Engineers
under P.W. Code, Vol. I, App. I, pages
570-1, and Presidency house rent
can be drawn only at the rate
of Rs 30 per mensum.

2. The circumstances under
which these allowances are
claimed are identical with those
mentioned in my letters No 1927W
and

X L.O. No 821W
of 22.3.97. (Flagged E)

⊕ Flagged F

+ Flagged G

and No 3636 W dated 2nd
July and 18th December 1896
respectively. I am accordingly
to request the sanction of the
Govt. of India to the grant of
officiating allowance at Rs 50
per mensum to Capt. Salor from
the 9th to the 31st October 1897,
and to this officer continuing
to draw during the period he
was in charge of the Buckingham
Canal, the Presidency allowance
and the Presidency house rent
which he was in receipt of
prior to being placed in charge
of that canal.

3. I am to add that
a vacancy in the Executive
grades was kept open during
the period that Capt. Salor
was in charge of the Buckingham
Canal.

Copy of a letter from J. P. Davidson, Esquire, Executive Engineer, Chingleput Division, to the Superintending Engineer, 5 Circle, No. 3493 dated 14th February 1898.

I have the honour to forward herewith an extract from the list of disallowances from the Salary Bill for October 1897 of the Buckingham Canal Division from which it will be observed that the officiating allowance claimed for Captain J. Labor, under G.O. No. 821.W, dated 22nd March 1897, has been finally disallowed by the Examiner on the ground that the sanction referred to does not cover the present claim, which it is stated may be revised when the necessary sanction of the Government of India is obtained. The circumstances under which officiating allowance for October is claimed being exactly identical with those of the former case, I request that you will be so good as to obtain the sanction of Government.
