READ—the following paper:—

From J. P. DAVIDSON, Esq., Executive Engineer, Chingleput division, to the
Superintending Engineer, V Circle, dated 23rd August 1897, No. 1592.

With reference to G.O., No. 2050 W., dated 28th July 1897, communicated with your endorsement, No. 290 G., dated 14th instant, I have the honour to enquire whether the work (restoring the cross-road connecting the Chunampet-Madurántakam road with the Merkanam-Tindivanam road) can be proceeded with, pending allotment of funds by Government later on in the year. The work is well in hand and all the materials required for the masonry works are ready at site, and it will be a pity to stop the work at this stage.

2. I presume that steps have already been taken to place the amounts of contribution due by the district boards of South Arcot and Chingleput and by the zemindar of Chunampet at the disposal of the department, through the Accountant-General, Madras.

3. Early orders are requested.

2. The Local and Municipal and Revenue Departments will be requested to arrange to place at the disposal of the Public Works Department, as early as possible, the amounts due by the district boards of Chingleput and South Arcot and the zemindar of Chunampet, respectively:—
