X With reference to para 2 of my letter No. 478 A/A dated 18th. April 1898, I have the honor to report, for the information and orders of Government, that Mr. A. R. Kälberer, Deputy Examiner of P. W. Accounts, during his recent inspection of the office of the Executive Engineer West Coast Division, found that the Travancore State had brought a claim for Rs. 6703 against Government on account of percentage (at the rate of 23 per cent) on the total outlay on works and repairs carried out by its Chief Engineer for the Governments of India and Madras.

2. The accounts between the Executive Engineer and Travancore State are reported to be in almost hopeless confusion; but I have asked the former to go carefully into the matter, and to send a full report to Government through the Superintending Engineer.

3. In the meantime steps have been taken to prevent further confusion.

I have the honor to be,
Sir,
Your most obedient servant,

E. a. Deming

Examiner, P. W. Accounts, Madras and Coorg.
