MADRAS COMMAND,

To

THE Chief Secretary to the
Govt of Madras.

Reference:—

SIR,

I beg to submit that in May last the necessity for the erection of five or six dwarf walls in the Kottah Department of this depot was pointed out to the Consulting Architect to the Government of Madras, who estimated the cost of the work at Rs 36. That officer, however, in his No 2167 of 15 Nov/97 intimated his inability to carry out the work until "the restriction of expenditure is removed" which restriction I understand was withdrawn on 31 December last.

SUBJECT.

For orders whether
the small work now
asked for may be
carried out. The question
as to whether an improve-
ments estimated at Rs. 11,000
may be carried out, is
being considered separately.

Requesting sanction for
the erection of ^{some} ~~new~~ dwarf
walls in the bottle Dept. of
the medical store depot.
As a matter of principle, I
do not sanction this small change,
for it seems to me that we give ourselves
away if we do - But how ab-
surd that a man should come
to an Architect about such a trifling
work as this, and that this becomes
an departmentally
7/3/98

As the stock of bottles is at present
low, ~~and~~ this seems the most opportune
time for the execution of the work in
question. The seven walls are being
necessary for the safe storage of bottles
of sorts and sizes amongst which
much breakage takes place for want
of them, and I would solicit the
favor of early orders directing the
work be carried out.

I have the honor to be,
Sir,
Your Most Obedient Servant,
