Note accompanying the draft ord
on Current No 7841

In its resolution No 19/B.6 A.C
dated 22nd March 1898, the Government
of India fixed the budget estimate of
expenditure for 1898-99 under 33. Famine Relief
at Rs 4.50.000. The budget estimate
was accordingly drawn up in the form
required by this Dept and was sent to
the Financial Dept for approval. That
department objected to the issue of the
budget on the ground that the estimate
of Rs 4.50.000 had then been superseded by
an estimate prepared by the Board of
Revenue. It was then decided that P.W.
Officers would not be required to prepare
budget estimates of expenditure on Famine
Relief works vide Q.G No 1805W dated 16th
July 1898. The Govt of India subsequently
sent a reminder enquiring when the budget
estimate might be received by that Govt
In reply a copy of Q.G No 1805W dated 16th
July 1898 was forwarded to that Govern-
ment, who was informed that no estimate
would be prepared in this department
vide Q.G No 2041W dated 11th August 1898.

that in whichever Department the budget estimate of expenditure on Famine Relief works may be prepared, it is necessary that it should, so far as it relates to expenditure on works to be carried out by the P.W. Dept., be prepared in the form required by this Dept., and requests that arrangements may be made for the submission as early as possible of the estimate prepared for Rs 4.50.000 passed by the Govt of India. It is therefore proposed to forward the budget prepared in May last.

3 The Govt of India will however be informed that this Govt has since issued orders to the effect that outlay on relief works shall be incurred only against the monthly allotments passed by the Financial Dept vide G.O No 731 Financial, dated 25th August 1898.

4 The estimate in question is only formal.

What is the amount of the budget estimate prepared by Hd of Rev? Is work carried out by O.W.D

W

I beg respectfully to submit that, though it is aksed to frame a budget for Rs 4,50,000 when the actual grant is about Rs 10,000, the Govt. of India requires a budget estimate for the former figure only. Before the commencement of every official year the Govt. of India notifies the amounts for which the P.W. budgets of each Province should be framed, and at the same time prepares a consolidated estimate for the whole India for the total amounts sanctioned for all the Provinces. It is therefore necessary that the detailed budget to be submitted to the Govt. of India should work up to the amount passed by that Govt.

The estimate of Rs 4,50,000 is [redacted] the original estimate framed by the Board of Revenue and adopted by the Govt. of India, and this estimate, alike other budget estimates has since undergone various changes. The estimates so changed are technically termed "Revised

It is submitted that G.O No 1805W. dated 16th July ruling that P.W. Officers not be required to submit budget estimates on Famine Relief works may be reconsidered and that the other alternative suggested by the Financial Dept viz to direct S.Es to submit estimates through Cos may be adopted, for the Govt of India requires that the budget estimate should be prepared in the form prescribed by the Govt of India Code
