Memorandum from the Public Works Department, No. 3744 C., dated 26th August 1898.

From the Inspector-General of Police, Madras, No. 3466, dated 5th September 1898:—

I have the honour to say that, with reference to G.O. No. 1126, Judicial, dated 7th July 1896, an estimate to amount of Rs. 3350 has been forwarded to me for the construction of quarters for the Civil Apothecary at Koraput. The Surgeon-General, to whom I referred, states that, as under a scheme, which he has submitted, an officer of the rank of Military Assistant Surgeon will be posted to Koraput, it is not expedient to build quarters suitable only for an apothecary. He points out that, when an Assistant Surgeon is posted, he will be liable to claim compensation, unless he is given a house suitable for an officer of his rank. I understand from G.O. that the Government intend to employ an apothecary at Koraput but the Surgeon-General says that that only refers to present requirements and does not affect his scheme. I have the honour, therefore, to request that I may be informed whether a house suitable for a Military Assistant Surgeon is to be built or a house only for an Apothecary.
