Note. In G.O. No. 2407 W 57
 17.9.97, a sum of Rs 20 per
 month, for 2 months, was
 placed at the disposal
 of the Survey Dept. for the
 preparation of the Perijan
 History Plans. The Survey
 Dept. now says that it
 cannot do the work for
 less than Rs 240, i.e. one
 draftsman on Rs 30 for
 8 months, or 4 draftsmen
 on the same pay for 2 months.
 Mr Mackenzie states that
 he is compelled to accept
 the estimate of the Survey Dept.
 as it is desirable to finish
 the work quickly, it is proposed
 to sanction a lump sum of Rs
 240, leaving it to the Survey
 Dept. to employ what men
 they like, within that
 limit. The original sanction
 was based on the
 report of the Survey

To

The Secretary to Government
 Public Works Department

1898.

SIR,

With reference to the permission given
 in G.O. No. 2407 W for a draftsman on Rs 20
 for 2 months to be employed for preparing
 the Perijan History Plans, I have the honour
 now to report that the Survey Office re-
 quires a draftsman for 8 months for the
 purpose (or say 4 draftsmen for 2 months),
 and that it also considers Rs 30 to be
 a necessary monthly pay for a competent
 plan man.

2. There are only 29 plans to be
 drawn, but I am compelled to accept
 the estimate of the Survey Office. I
 therefore beg that the estimate as sanc-
 tioned may be revised to Rs 240. Mean-
 while I have commenced the work with 2
 draftsmen on Rs 30.

I have the honour to be
Sir

Your most obedient Servant
 A. Mackenzie
 Executive Engineer

P. W. 42.
